Online Services PhD

The Online Services PhD provide doctoral students and members of the supervisory and doctoral committees with secure access to administrative tasks for their doctoral projects. Link to the Services for the older doctoral regulation: → [Login PVO 2009](#).

→ [Login Online Services PhD PromVO 2019](#)

– Login for UZH members: Log in with your → [Switch-Edu-ID](#) login. Doctoral students will receive this after paying the semester bill.

The Online PhD Admin Services provide doctoral students and members of the Supervisory and Doctoral Committees with secure access to administrative tasks for their doctoral projects.

- Doctoral students can create doctoral agreements and submit the applications for completion and publication.
- Members of the Supervisory Committee can manage doctoral agreements and approve applications for completion.
- Members of the Doctoral Committee can upload their expert reports and revision requirements.

> Access for doctoral students

> Access for members of Supervisory and Doctoral Committee

Doctoral students can

> create and view their doctoral agreement

> submit the application for completion

> submit the application for publication

Publication of the dissertation

You can submit your dissertation for publication on ZORA here. The revision requirements specified by the doctoral committee must be incorporated into this publication. Please note the information on the publication on the website: > Link

> Enter publication data

Publication of the dissertation

Publication Details and Upload

Open access type [?](#)

> ORCID [?](#)

Definitive title

Das ist ein Testprojekt.

save

You can choose between three variants:

- Immediate publication of the full text on the www, i.e. publicly available.
- Immediate publication of the full text in the UZH-internal web i.e. only accessible with a short name of UZH.
- Blocking of the full text for 3 years , after the deadline for publication in the www.

Open access type [?](#)

ORCID is an internationally recognized persistent identifier, which ensures the unique assignment of the scientific authorship. For further information and registration please click on the link.

> ORCID [?](#)

Confirmation of revision requirements

With the provisional graduation documents, you have received an overview of any revision requirements from your Doctoral Committee. If there are no requirements in the overview, please confirm this by ticking the checkbox:

I hereby confirm that there are no revision requirements.

If the overview includes revision requirements, please upload the confirmation of their incorporation. Only the members of the doctoral committee who assigned requirements need to sign. You can find the confirmation form here: [> Link](#).
