

Internet & Society

Master Mono 120 ECTS Credits

Sample Curriculum

The sample curriculum shows one of several ways in which you can plan your studies. It represents a full-time study load of 4 semesters. Generally, you will earn approximately 30 ECTS credits per semester. It is also possible to earn a lower amount of ECTS credits per semester. In this case, the duration of your studies will be extended accordingly. The Mono in Internet & Society can only be started in the Fall Semester.
