

Computational Linguistics and Language Technology

Master Minor 30 ECTS Credits

Sample Curriculum

The sample curriculum shows one of several ways in which you can plan your studies. It represents a full-time study load of 4 semesters. In the Major/Minor combination (120 ECTS credits in total), you will earn approximately 30 ECTS credits per semester. It is also possible to earn a lower amount of ECTS credits per semester. In this case, the duration of your studies will be extended accordingly.

For the Minor in Computational Linguistics and Language Technology, we recommend starting your studies in the Fall Semester.

Fall Semester	Spring Semester	Fall Semester	Spring Semester
Module group: Core Modules of Computational Linguistics and Language Technology			
Machine Learning for Natural Language Processing 1 (CE 6)	Machine Learning for Natural Language Processing 2 (CE 6)	Freely Selectable Module (CE or E 6)	
		Module group: Scientific Specialization Freely Selectable Module (E 6)	
At least 6 ECTS credits of your choice from all module groups of the program.			
		Mobility Window
